MEDIA KIT

Husband. Jesus Follower.
CONSTANTLY HUNGRY. Food Photographer.

At Shared Appetite, we love food. Cooking it. Eating it. And most importantly, sharing food with the ones we love.

Eating a fantastic meal is one of life's greatest joys. But what makes food incredibly special is its ability to bring us together. Sharing it with friends and family. Creating lasting memories.

Shared Appetite is a tribute to tried and trusted recipes for quick weeknight cooking, those occasional fancy weekend dinner parties and extravagant family meals, and party recipes for entertaining made easy.

One of my favorite feelings in the world is getting an email or comment from a reader in the Shared Appetite family telling me how much their loved ones enjoyed a recipe. That's what it's all about.

Eat. Cook. Share.
